

A CREATIVE EVENING OF DRINK 'N DRAW

WAC past board president Nancy Gault and Director of Visual Arts Helen Klisser During with Sandy Ceppos from Mitchells

Westport Arts Center and Mitchells partnered for an evening of fun, fashion and art as invited guests unleashed their creativity!

Guests nibbled on Italian antipasti and sipped sparkling Prosecco while trying their hands (many experienced) at sketching a live model. Fabulous Mitchells fashions were highlighted on the model. The guests sketched as the model posed in a variety of looks, from a Peter Pilotto print dress to a stunning sheer and lace Stella McCartney cocktail winner!
